RE: REFERRAL LETTER FOR SHALOM FISCAL CONSULTANTS

I am writing this letter to recommend the services of Shalom Fiscal Consultants to you. During the past three years our company has been working with Shalom Fiscal Consultants on numerous customs clearing projects. The company offers high quality services. We can say that we have always been satisfied by their work.

For all the projects that we worked on, pointed out the concern for quality and attention to detail that the company has. All the customs and clearing projects that we worked together with Shalom Fiscal Consultants, the company did the assignments satisfactorily and professionally. In our opinion it has been the knowledge and professionalism of the company that resulted in such impressive results.

I would like to ask you to consider the company for all your customs and clearing needs of your company. I strongly recommend the services of the company and I am looking forward to working with shalom for future clearing services and any other tax consultancy services they offer.
