Dear Sir/ Madam

RE: REFERRAL LETTER FOR SHALOM FISCAL CONSULTANTS

I am writing to recommend the services of Shalom Fiscal Consultants. I have been using the company for all my customs and clearing needs for the past two years and have been completely satisfied. They do an excellent job, are always punctual, pay attention to detail and offer the most competitive service fees in the industry.

We would like to advise you to welcome an opportunity to find out how your organisation could benefit from their services. I am happy to recommend the services of shalom, if you have any questions, feel free to contact me.

Yours faithfully
